

Suggested Tooling – Electronic Diagnostic Equipment

(** Recommended Tooling)

<u>Software:</u>	<u>Part Number:</u>	<u>Cost:</u>
DDC Diagnostic Link 7.05/6.45(all years) **	820002	\$1464.78
<u>Updates</u> for Registered Copies: 6.x to 7.05/6.45	820002U	\$325.00
7.x to 7.05/6.45	820003U	\$97.50
Allison DOC for Fleets 1K-2K (2000 only) **	J-46602-C	\$245.00
Allison DOC for Fleets 3K-4K (3000 only) **	J-46586-D	\$245.00
Allison DOC 8.0 Full Application Version	J-44950-I	\$495.00
Cummins Insite Software **	3886388	\$16.50
Cummins Insite Lite Annual Subscription **	3886390	\$450.00
Cummins Insite Virtual College Disk	4091839	\$132.00

You will also have to order one of the adaptor kits w/cables listed below if you do not have a current adaptor that is compatible or use DDC kits listed at bottom
 ** All current adaptors use USB Ports only **

Adaptors:

Nexiq USB Link **	J-48624	\$963.09
Cummins Inline 5 Adaptor	4918416	\$770.08

We recommend the Nexiq adaptor as it will operate with all the software including that from Freightliner and Meritor

Several Kits w/ Adaptor are also available from Detroit Diesel:

Detroit DDDL-7.05/6.45	w/J-48624 **	620003	\$2301.00
Upgrade - 6.x to 7.05/6.45	w/J-48624	620003U	\$1161.55
